Calligraphy Writing Board

Portable angled writing board with fold-out steel legs, table-edge rubber feet and eight working angles. Available in A2 and A3. This manual covers both sizes.

Covers models: DT09, DT10

ADJUSTABILITY

Eight working angles

Special table-edge rubber feet on the underside let the board securely overhang the table edge, giving several different working angles; with the fold-out legs there are eight angles in total.

When raised, the fold-out legs form a working angle; folded flat, they form a carry handle.

> For a demonstration of the eight angle positions, please contact The Big Orchard on +44 (0)1924 291333 or info@thebigorchard.com.
