THE BIG ORCHARD · PRODUCT MANUAL

Orchard Metal Plan Chest

Steel plan chest with welded steel drawers, steel frame and an inset 18 mm MFC worktop. A0 or A1, 6, 8 or 10 drawers. This manual covers every size and colour.

Covers models: OM01, OM02, OM03, OM04, OM05, OM06

ADJUSTABILITY

Drawers

Each drawer is folded and welded sheet steel with a hole in the base so sheets lift out cleanly. Each drawer has a safety glide system which prevents it being slid out too far, so the drawers cannot be pulled fully out from the front; to remove a drawer completely the chest would have to be dismantled.

> For removing a drawer, please contact The Big Orchard on +44 (0)1924 291333 or sales@thebigorchard.com.
