KEY FEATURES

- Memory Function
- 7 Year Warranty
- Delivered fully assembled

PRODUCT DESCRIPTION

Design and draw like never before with the A1 Ackworth BEAM illuminated drawing board. With an edge-to-edge illuminated work surface perfect for working with up to A1 size paper.

The 5500K colour corrected light box creates a perfectly even light source to work over with the highly efficient LED system producing negligible heat. The light box is also fitted with integrated dimming control so you can set the perfect brightness quickly and easily.

The steel A-frame stand can be easily folded away or detached for transport or storage as well as allowing you to set the work surface to the desired height and angle.
