PRODUCT DESCRIPTION

The A0 10 drawer Orchard Metal Plan Chest is a large capacity paper storage cabinet for A0 paper or card.

Simple lines and with a modern design, the Orchard Metal plan chest is ideal for any home or office studio and with a heavy duty steel construction it makes these A0 plan chests suitable for archives or tough school environments.

Sitting on steel runners with a hard wearing easy-glide nylon skid, the 10x 65mm deep steel drawers ensure super smooth action even with heavily laden with paper or card. For extra safety, drawer stops prevent any of the drawers from being completely removed from the front of the plan chest by accident.
