PRODUCT DESCRIPTION

With a rich beech finish the A1 12 Drawer Traditional plan chest creates a really warm, modern feel to your office or art studio.

The 12x 68mm deep drawers provide high capacity storage for A1 paper and are elegantly finished with metal bow handles which create a strong touch point when sliding the drawers in out out.

As the Traditional Plan Chest is designed in three drawer sections, installation is easy and it provides scope to add or remove sections if required.

The drawers can be fitted with locks. The way the keys are suited is entirely down to your specification with opts to make all the drawers lock on one key, or with individual keys.
