PRODUCT DESCRIPTION

The A0 8 drawer Orchard Metal Plan Chest is a heavy duty and large capacity paper storage system for A0 card or paper.

Elegant lines and a contemporary design makes the Orchard Metal plan chest a great piece for your home or office studio and with a hard wearing steel construction they also ideal for use in demanding school environments or archives.

The 8x 83mm deep steel drawers sit on steel runners with a hard wearing easy-glide nylon skid. These work perfectly even on fully loaded drawers and for extra safety, integrated drawer stops prevent the accidental removal of a drawer from the front of the plan chest.
