KEY FEATURES

- Delivered fully assembled
- Lifetime warranty

PRODUCT DESCRIPTION

The A1 Bretton is the ultimate portable drawing board for students and hobby designers working with A1 paper.

With a 920 x 650mm board surface provides enough work space for almost all student design projects. Accommodating A1 paper with ease the Bretton features a highly accurate cross-wire parallel motion with integrated steel roller bearings. The sturdy steel fold-out legs are finished in black and double up as a carry handle making the drawing board easily portable.
