KEY FEATURES

- Memory Function
- 7 Year Warranty
- Delivered fully assembled

PRODUCT DESCRIPTION

The A0 BeamTable LED light table provides a large, illuminated surface for various applications including inspection, quality control assessment, and design work. This table is designed for durability and efficiency, featuring a toughened glass top for safety when working with heavy-duty materials and tools. The integrated illuminated dimmer switch, with a brushed stainless steel finish button, allows for precise control of the even light spread.

Beam Box A0 light table for large-scale professional projects.
