KEY FEATURES

- 7 Year Warranty

PRODUCT DESCRIPTION

The A1 5 drawer Milano Metal plan chest is a brilliantly simple compact paper storage solution for A1 paper and artwork.

The 5x 55mm deep drawers each run on 4 super smooth roller bearings and the drawer fronts feature a metal D handle and integrated label holders.

An optional leg frame is available to raise the plan chest up to a required height. We will discuss the exact required height before your plan chest goes into production.

The enclosed design of the Milano plan chest provides security and protection for your paper, with the ability to lock the entire plan chest with a single key.

Specifications are subject to change. See the product page for current prices and options.
