PRODUCT DESCRIPTION

The A1 Flip Top Drawing Desk has a 1.2m wide desk surface and helps you make the most of your studio or classroom space.

With a rotating centre section the table can easily be transformed into a fully featured A1 drawing station.

The A1 drawing board features a professional parallel motion with smooth steel roller bearings and compact yet durable continuous wire system. The board surface can be easily placed in one of 13 different working angles, allowing you to rapidly find the most comfortable drawing position.
