PRODUCT DESCRIPTION

Super compact; the A2 950 standard leg Flip Top Drawing Desk is a reversible table which features an integrated A2 drawing board.

With a small footprint, this highly practical table can convert into a professional drawing table in a matter of seconds. Simply unlock and rotate the centre section of the table to reveal the A2 cross-wire drawing board with 13 stages of angle adjustment.

Highly durable and perfect for schools, colleges and offices.

The steel table frame has a straight leg design which makes it easy to work on either side of the table. It is finished in grey with a textured light grey durable work top.
