KEY FEATURES

- Delivered fully assembled
- Lifetime warranty

PRODUCT DESCRIPTION

Ideal for a wide range of designers, the A2 Bretton provides you with portability and convenience. Featuring a 650 x 470mm working area suitable for A2 paper, the A2 Bretton drawing board has everything a design student or design enthusiast could require. The sturdy fold out legs give you a comfortable working angle when sat at your desk. The legs also become a convenient carry handle when folded down - ideal for transport.

With a durable cross-wire parallel motion it is also highly practical and can be easily stored away when required.
