PRODUCT DESCRIPTION

The A1 8 drawer Orchard Metal Plan Chest provides high capacity paper storage for A1 paper.

With 8x 83mm deep drawers running on easy glide nylon skids smooth and quiet action is ensured when sliding the drawers in and out.

Contrasting brilliantly against any paint finish the chrome finish (standard) D handles give the drawers both a modern feel and a reassuringly strong touch point when handling the drawer.

The wooden MFC work top provides a resilient and comfortable surface to work against whilst being easy to replace if required.
