PRODUCT DESCRIPTION

Design and draw like never before with the A1 Ackworth BEAM-TEC illuminated drawing board. With an edge-to-edge illuminated work surface perfect for working with up to A1 size paper.

The 5500K colour corrected light box creates a perfectly even light source to work over with the highly efficient LED system producing negligible heat. The light box is also fitted with integrated dimming control so you can set the perfect brightness quickly and easily.

This specialist drawing table features a professional parallel motion with clear drawing edge for detailed precision work.
