- Delivered fully assembled

PRODUCT DESCRIPTION

The A3 Wafer Light Panel is the latest generation of lightweight ultra slim side-lit light boxes for A3 paper using fully dimmable LED technology.

Providing an even spread of light with low heat emission, the Wafer light box is ideal for tracing, sketching, stencilling, calligraphy, scrap booking, embossing, embroidery, sewing and much more. Supplied with a mains adapter.

Lightweight and ultra-slim Beam Box for tracing and stencilling.
