PRODUCT DESCRIPTION

The A0 6 drawer Heath wooden plan chest finished in light oak is a modern and strikingly elegant storage solution for A0 paper.

6x 68mm deep drawers easily accommodate A0 size paper and run on smooth easily-glide runners which ensure smooth action even on heavily laden drawers.

Stylish metal bow handles provide a reassuringly strong touch point when sliding the drawers in and out.

The midnight black steel legs visually frame the drawers and contrast against the wood finish as well as the handles which are finished in silver.

MADE IN THE UK
