PRODUCT DESCRIPTION

This browser does not support the video element.

The A1 6 drawer Traditional Plan Chest in Beech is a smart, modern paper storage solution for offices and studios.

The 6x 68mm deep drawers comfortably accommodate large quantities of A1 paper and run on easy glide runners. These low friction runners ensure a smooth action even when the drawer is heavily laden with paper.

Silver metal bow handles provide a strong and reassuring touch point when sliding the drawers in and out.

The Traditional plan chest is fitted with a fully welded steel plinth finished in a midnight black which provides a striking shadow effect beneath the plan chest.
