PRODUCT DESCRIPTION

This browser does not support the video element.

The light grey A1 wooden Traditional Plan Chest with 6 drawers and a stunning light grey finish is a neat and clean paper storage system for modern studios or offices.

The drawers are 68mm deep allowing them to easily accept large amounts of A1 paper or card. The drawers also run on hard wearing easy-glide runners which are very low friction to create a smooth drawer motion even when it is heavily loaded down with card or other documents.

Elegant yet strong metal bow handles, finished in silver, give a reliably strong grab point when sliding the drawers both in and out.
