PRODUCT DESCRIPTION

Simple lines and a contemporary design make the A1 9 drawer Traditional plan chest in Light Grey perfect for office, studio or classroom environments. Supplied fully assembled and with a lifetime warranty.

The 9x 68mm deep drawers are comfortably large enough for A1 documents and run on low friction runners which ensure smooth action even when heavily laden with card or paper.

The wooden Traditional plan chest drawers are stunningly finished with curved metal handles. They give a reassuringly solid touch point when moving the drawers.
