PRODUCT DESCRIPTION

The A1 9 Drawer Traditional Plan Chest provides large capacity storage for A1 paper and with a stunning light oak finish it is suitable for home or office studios.

Its 9x 68mm deep drawers fit A1 paper with ease and run on low friction runners ensuring smooth action even when the drawers are heavily laden with paper.

The Traditional plan chest features metal bow handles which provide a reassuringly strong touch point when sliding the drawers in and out.

The drawers may be fitted with locks which can be either suited with individual keys for each drawer, or set with a master key capable of opening any drawer.
