PRODUCT DESCRIPTION

The A0 6 drawer Heath plan chest in textured light grey is a smart modern paper storage solution for all studio, classroom or office environments.

Two silver metal bow handles on each drawer provide a strong touch point for the A0 drawers which comfortably fit standard A0 paper.

Even when the drawers are heavily laden, easy-glide runners ensure a smooth action when sliding the drawer in or out.

Featuring midnight black steel legs the Heath is a single section carcass plan chest with a striking appearance.
