PRODUCT DESCRIPTION

With 6x A0 drawers, this Heath wooden plan chest is finished in a brilliant modern maple grain which fits in both offices and studios.

The 68mm deep drawers run on easy glide runners which ensure smooth action even when the drawers are heavily laden with A0 paper.

Silver metal bow handles elegantly finish off each drawer and provide a reassuringly strong touch point when sliding the drawers in and out.

The drawers are framed with the midnight black steel legs which contrast brilliantly against the lighter maple finish.

MADE IN THE UK
