PRODUCT DESCRIPTION

The A1 6 Drawer Heath plan chest is designed for A1 paper and is finished in modern maple. It is a sleek and stylish paper storage solution suitable for offices or art studios.

The 6x 68mm deep drawers run on easy glide runners and comfortably provide enough space for A1 paper. Even when heavily laden, the runners ensure smooth action sliding the drawer in and out.

Silver metal bow handles provide strong touch points and the steel legs are finished in a high contrast midnight black which looks brilliant against the maple wooden carcass.
