PRODUCT DESCRIPTION

1000mm wide and cut to the length you require (max 20m) vinyl board covering with a crystal clear finish for drawing boards and drafting tables.

If you have a lab or work bench, which is over-sized or a non-standard size, then an uncut length may be the best solution. Plastiback is easy to trim to the size you need with a sharp blade.

We can also supply Plastiback in custom sizes if required, please contact us for details - 01924 291333

Specifications are subject to change. See the product page for current prices and options.
