PRODUCT DESCRIPTION

The Studio Light Table STL01 is a professional-grade, heavy-duty illuminated workstation designed for demanding creative and technical environments. Measuring 1200mm × 1350mm × 900mm high, with a large usable illuminated surface of 1170mm × 1320mm, it provides an expansive, evenly lit work area. Custom sizes are available to suit specific studio requirements.

MADE IN THE UK
