## PRODUCT DESCRIPTION

The A0 6 drawer Traditional wooden plan chest in light grey is a stylish and practical solution for paper and document storage in office or school environments. The height of the plan chest top makes it ideal to double up as a work surface.

Finished in a textured light grey, it has a clean, modern feel which fits in well with existing colour schemes. Metal silver bow handles elegantly finish the drawers off whilst providing a reassuringly solid touch point when sliding the drawers in and out.

The low resistance runners ensure a smooth action even on a heavily laden drawer.
