PRODUCT DESCRIPTION

Perfect finish for the modern drawing office or art studio. The A0 6 drawer Traditional in stunning maple has a real 'wow' factor when you see it in the wood.

Metal silver bow handles finish off the clean lines and provide a reassuringly solid touch point when sliding the drawers in and out.

The A0 drawers run on easy-glide low friction runners making the action smooth and reliable even in drawers carrying large quantities of paper.

The fully welded steel plinth is finished in black to create a clean shadow line and gives the plan chest strength when moving it around the floor.
