PRODUCT DESCRIPTION

With clean lines and a modern wooden maple finish, the A0 9 drawer Traditional plan chest (in maple) provides high capacity storage for offices and art studios.

The 9x 68mm deep drawers comfortably accommodate A0 paper and run on easy-glide runners which ensure smooth action even on heavily laden drawers. Each drawer is finished with two metal bow handles which provide a strong touch point when sliding the drawers in and out.

The maple finish has a real wow factor when you see it in the wood. It creates a clean and modern feel in any office setting.
