## PRODUCT DESCRIPTION

The A1 12 drawer Traditional wooden plan chest finished in light oak is the perfect high capacity paper storage solution for A1 paper.

The oversized 68mm deep drawers comfortably provide enough space for securely storing your A1 drawings, prints or artwork.

Each drawer is fitted with two metal bow handles which provide a strong sturdy touch point when sliding the drawers in and out.

The drawers run on easy glide, low friction runners which ensure super smooth motion even when the drawer is heavily laden with paper.
