PRODUCT DESCRIPTION

With modern wooden maple finish and clean lines, the A1 9 drawer Traditional plan chest (in maple) is a high capacity storage solution for offices and drawing studios.

The maple finish has a real wow factor when you see it in the wood. It creates a clean and modern feel in any office setting.

The 9x 68mm deep drawers comfortably accommodate A1 paper and run on easy-glide runners which ensure smooth action even on heavily laden drawers. Each drawer is finished with two metal bow handles which provide a reassuring strong touch point when sliding the drawers in and out.
